

## How ConnectShare Turns Sharing Connections into Success!

### Membership - Personal Consultation

To make it easy to come well prepared for your first ConnectShare Event, we provide a personal consultation to help you:

- Easily generate your business and personal bio
- Define the five connections you'll share
- Define the five connections you need most
- Prepare for your first ConnectShare event
- Learn the ConnectShare Success Formula

### ConnectShare Events

Monthly ConnectShare Events provide a unique environment to share and receive connections. Our innovative accelerator system, Organizer Binder and online tools make it easy to:

- Get to know your ConnectShare Team as you share connections
- Track the connections shared and received
- Have a great time as you generate up to 25+ new connections at every monthly event

### Business Ambassadors Working for You

Because of the connections received, every member walks away from Events motivated to help you and every member of your ConnectTeam. In a very real way you'll have five new Business Ambassadors helping you find the opportunities and connections you need. Then, best of all, watch it happen all over again every month!
